## EDUCATION

### Islington College (Affiliated to London Met), Kathmandu

*Bachelor* December 2021 - Present

I have been studying BSc. (Hons) Computing in Islington College. In 2024, I'll be having a bachelor degree from London Metropolitan University.

### Bal Bikas School of Science & Management, Gaindakot

*School Leaving Certificate (SLC)* School year 2021

Taking Science faculty in +2, I have completed my SLC with a grade point average of 3.5 GPA.

### Saint Joseph's English Boarding School, Kwasoti

*Secondary Educational Examination (SEE)* School year 2019

I have completed my 13 years of schooling with a grade point average of 3.4 GPA in the SEE examination.

## EXPERIENCE and PROJECTS

### Educational Projects, Islington College

Jan 2022 - PRESENT

- Using **HTML**, **CSS** and **JavaScript**, a website for the online book store was designed and developed.
- Using **JAVA** programming language, a program that tracks records of a business was developed.
- Using **My SQL**, Database has been created for the company that operates several branches in the country.
- Using Arduino Uno and a MQ2 gas sensor, a gas leakage detection system was developed.
